Hi George,
We are a local business located on Santa Monica and Vermont. As of lately, we've been having to call the cops 3 times within the past month. We feel unsafe in our area and are looking to request a clean up. Please let us know as soon as possible. Thank you.

Best,
Privacy Priva Restaurant

Hello,

Thanks for reaching out to our office.

This is currently in the queue for a cleanup.

Please allow some time for the Department of Sanitation to post and clean the area.

Thanks for your patience and understanding -- if you have any questions, let me know.

Best,
George

Hi there,

I know I just emailed you about homeless encampment but I am just wondering if we can move up on the list. Attached below are the current encampments occurring right in front of our business. There's so much trash and it is truly effecting the business and our safety. Please let us know. Thank you.

Hello,

There was a recent clean up two days ago and the person moved across the street. This person has been kicked out from across the street and moved back to our side. He is the view of the restaurant and disrupts our business. He also drinks alcohol at night on the street. They have been entering our establishment and have brought bugs in here. If there is something else we can do please let us know.

Best,

Thanks for the heads-up.

I will get this back on the schedule for a posted cleanup.

George
